

APPENDIX D

limited and general war. SAF organizations may vary in size and capabilities according to theater requirements.

STRIKE CAMPAIGN. Combat operations in zones under insurgent control or in contested zones. They are targeted against insurgent tactical forces and bases outside areas of government control. Other internal defense activities may support tactical forces during combat operations. Strike forces normally do not remain in the area of operations after mission accomplishment.

URBAN AREA OPERATIONS. IDAD operations in an urban environment characterized by close coordination between the armed forces, police forces, paramilitary forces, and other security forces for the protection of critical installations and control of subversive activities. IDAD operations in an urban area also may be part of a consolidation campaign or a continuing IDAD effort not specifically designated as a campaign.
